

End User License Agreement (EULA)

SankeyLogic for Excel (Trial Version)

This End User License Agreement ("Agreement") is a legal agreement between you ("User" or "Organization") and **Visual Analytics Ltd.** governing the use of the **SankeyLogic for Excel** software, including the native analytical engine (DLL) and associated interface files (the "Software").

By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to these terms, do not install or use the Software.

1. Grant of License

The Software is licensed, not sold. Subject to the terms and conditions of this Agreement, Visual Analytics Ltd. grants the User a non-exclusive, non-transferable, revocable license to use the Software solely for evaluation and internal business testing purposes.

1.1 Trial Terms and Evaluation Period

- **Evaluation Period:** This license grants the User a **fourteen (14) day evaluation period** starting from the date of first execution.
- **Unrestricted Performance:** During the Evaluation Period, the Software is provided **without functional limitations** on data row counts, model depth (levels), or analytical views. The User is encouraged to test the Software's full computational capacity within their production environment.

1.2 Restrictions The User may not:

- Modify, adapt, translate, sublicense, lease, sell, rent, or distribute the Software;
- Create derivative works based on the Software's native engine or interface;
- Use the Software for any unlawful purpose or in a manner that violates applicable laws;
- Remove or alter any copyright, trademark, or proprietary notices.

2. Intellectual Property Protection

2.1 Reverse Engineering

- **Strict Prohibition:** The User is expressly prohibited from attempting to reverse engineer, decompile, decrypt, or disassemble the native compiled components (DLL) of the Software.
- Any attempt to discover the underlying source code, proprietary algorithms, or data structures of the analytical engine is a material breach of this Agreement.

2.2 Ownership The Software, including its proprietary weighted propagation models and analytical frameworks, remains the exclusive property of Visual Analytics Ltd. No ownership interest is transferred under this Agreement.

3. Data Privacy and Local Execution

- **Offline Operation:** The Software operates entirely within the User's local environment. Visual Analytics Ltd. acknowledges that it does not collect, transmit, or store any data processed by the Software.
- **Confidentiality:** The User's data remains within the local Excel memory space and is never accessed by Visual Analytics Ltd.

4. Disclaimer of Warranty

The Software is provided "**as is**" without warranties of any kind. Visual Analytics Ltd. specifically disclaims:

- Any implied warranties of merchantability, fitness for a particular purpose, and non-infringement;
- Any warranty that the Software will be error-free or meet specific performance requirements. The User assumes all risks associated with the Software's quality and results.

5. Limitation of Liability

To the fullest extent permitted by applicable law:

- Visual Analytics Ltd. shall not be liable for any indirect, incidental, or consequential damages (including lost profits or business interruption) arising from the use of the Trial Version.
- Visual Analytics Ltd.'s total liability under this Agreement shall not exceed **GBP £0.00** (zero pounds sterling), as the Software is provided free of charge for evaluation purposes.

6. Termination

This Agreement is effective until terminated. Visual Analytics Ltd. may terminate this license immediately if the User fails to comply with any term. Upon termination, the User must cease all use and destroy all copies of the Software.

7. Governing Law

This Agreement is governed by the laws of the **United Kingdom**. Any disputes shall be resolved exclusively in the courts of **England and Wales**.
